

Woodlands Community Presbyterian Church

Nurture Committee Minutes

October 2, 2006

Present: Pat Huck, Catherine Scheffler, Sheila Young, Gene Price, Arlene Boyer, Ginger Holly, Cheryl Schroeder, Kathy Richardson, Pam Broussard

Old Business:

Fall concert/festival/market – Approx. 75 people were at the concert at North Shore park with about 20 of them being non-WCPC people. A suggestion was made to put placards in the medians, with approval from the Woodlands, of course, for additional advertisement. The Sunday event was well attended. The children's activities were successful, Boy Scouts sold about 215 meals and Nathan's free will offering was sufficient to meet his travel needs. There were several comments about the size of the 10,000 villages market this year; it did not seem like there was as much merchandise as in years past.

Thank you from the Deacons – The Diaconate thanked Nurture for the freezer, which is being used for the meal and cookie ministry teams. Sheila reported there are cookies in it and meals soon to come.

New Business:

Budget 2007 – Pam will email a proposal to the committee for their perusal. Catherine Scheffler volunteered to work with Pam to hire an individual to provide coffee on Sunday mornings.

Fellowship of the Ordained – (November 3) Kathy Richardson asked Nurture if they would be willing to support this activity. We agreed to schedule the caterer, set up, decorate tables and clean up. Kathy will find the entertainment and will ask the staff to serve. Kathy will begin advertising this event and we will staff registration tables (with money expected at the time of reg.) beginning October 15th. She will pass this through Mission Outreach. Pam will make a sign for the table.

Advent Festival luncheon – (November 19) We will assist CEM with this festival by providing a box lunch from Lenny's or Jason's Deli. Registration tables will be available the weeks of Nov. 5 and Nov. 12th. Payment will be required at the time of registration. We will provide drinks at the church.

Next meeting November 6th
Ann Fleischmann – devotions

Respectfully submitted,

Pam Broussard
