

Woodlands Community Presbyterian Church  
Nurture Committee Minutes  
December 11, 2006

A Christmas luncheon was held at Pam's house, Pat Huck provided the devotional.

**Old Business:**

Advent Festival Lunch – It was reported that only 45-50 box lunches were purchased for the festival. The participation was down from years past; perhaps it was the weekend.

Lenten Dinners – We will be organizing the Wednesday dinner series this year. There will be five Wednesdays of “bread and broth” meals followed by small group discussions, led by David Jones. We will ask various groups in the church to host one of the weeks. It will entail setting up decorations (Nurture will provide these), making three kinds of soup, picking up the bread from Great Harvest Bread Co. in Sterling Ridge, making drinks, dessert and cleaning up. Nurture will do the first Wednesday (March 9), Deacons will do March 16. Pam will work on finding other groups to do the next three. Dinner will be served promptly at 6:30; small groups will begin at 7:00. We will turn in a building use form which will show Jose what the setup will be each week.

**New Business:**

2007 what next? – We discussed two areas we feel need revitalizing and that we want to focus on. One is the Silver Foxes organization and the other is the Homebound Ministry group. We will be getting in touch with both leaderships and working with them on ways to assist them with their respective groups. Pam will speak with Gene and get her feedback.

Devotions for 2007 – A sign up sheet was passed around for committee members to provide a devotional at the monthly meetings.

Next meeting will be January 8<sup>th</sup>.

Respectfully submitted,

Pam Broussard
