

WORSHIP COMMITTEE

MINUTES

January 9, 2007

PRESENT: Cindy Oliver, Beth Thompson, David Jones, Everett Slavens, Christopher White, Suzanne Adams, Tricia MacDonald

The Long Range Planning Committee has requested that a subcommittee be formed within the Worship Committee to work on the new non-traditional worship service. The committee should consist of WCPC members interested in the new service and at least one member of the Worship Committee who would coordinate between the subcommittee and the committee. One of the duties of the subcommittee will be to write a job description for the new worship leader position.

SANCTUARY GUILD

The guild is coordinating this year's Lenten suppers and suggested that each committee within the church prepare one of the meals, which will be held on Wednesday nights. Duties would involve preparing the soup, drinks (tea and lemonade), picking up the bread at Harvest Bread Store, setting up tables, laying out paper goods, serving and clean up. Worship Committee volunteered for the first Lenten supper on February 28.

MUSIC MINISTRY

The Sanctuary Choir is working diligently on Mozart's, "Vesperae solennes de confessore". This major work will be performed with orchestra at WCPC on March 4 and several of our choir members will perform it with the Kingwood Chorale at Carnegie Hall in New York on March 12, and then again at Kingwood on March 25.

The choir will have a special workshop here on January 20 to rehearse for these performances.

Laura Bertwell will be away for two weeks in January to work on her master's degree at Union Theological School. Caroline Yarp and Suzanne Adams will be substituting for Laura's Alleluia Choir rehearsals on January 10 and 17 while she is away.

On January 28 a guest harpist will perform at both worship services.

Beth will be attending the PAM meeting and workshop from February 1-7.

Karen Braden has volunteered to serve as a Pew Picker.

The meeting was adjourned with prayer.
