

Worship Committee Minutes

March 6, 2007

The Worship Committee met Tuesday, March 6, 2007 at 6:30 p.m. In attendance were Cindy Oliver, Steve Schlacks, Tricia MacDonald, Valerie Gibson and Chris White.

The meeting started with Prayer and discussion concerning Session meeting notes about the projector, still up for budget final approval, and the search committee's recommendation for a Contemporary Service Worship Leader.

We also noted that the Worship Committee would be responsible for the Lenten Dinner, Wednesday evening March 14th, and assignments concerning that responsibility were determined.

There was no report from the Sanctuary Guild or Music Ministry other than special thanks to all who attended the Vesper Service Sunday night as the Sanctuary Choir performed Mozart. We had a great crowd and the attendance was very much appreciated!

The meeting ended in prayer.
