CASA is Beneficiary of Pentecost Offering

When a child enters the foster care system because his or her home is no longer safe, a judge may appoint a committed volunteer to help the child. That volunteer is called a Court Appointed Special Advocate®, or CASA. These volunteers are screened and highly trained and then appointed by judges to represent and advocate for a child's best interests in the child protection system.

CASA Child Advocates of Montgomery County provides valuable volunteer advocacy for every abused child in this area. CASA volunteers serve as the "eyes and ears" for the judge in child welfare cases. This includes researching each child's situation and making objective recommendations to help them reclaim their childhoods from abuse and neglect. CASA volunteers are frequently the only stable presence in these children's lives as they navigate the foster care system.

CASA volunteers bring three critical qualities to their work: they focus on one case at a time; they bring a unique perspective to the court case; and their sole objective is representing the best interests of the child. So please give generously to the Pentecost Offering. **This special offering will be collected on Pentecost Sunday, June 4th**. Make your check payable to WCPC and mark it Pentecost Offering. There are also specially marked envelopes in the pew racks for your convenience.
