Where: Hendricks Education building

The 62<sup>nd</sup> Commission on the Status of Women (CSW) took place at the UN headquarters in New York in March 2018. WCPC member, Kristen Campbell, was part of the PC(USA) delegation. The purpose of the CSW is to set global standards for gender equality and the empowerment of women. Kristen will share with us some of her reflections on the 2018 two-week session with the theme: Challenges and opportunities in achieving gender equality and the empowerment of rural women and girls. The PC(USA) delegates advocate for social justice issues and learn from women across the world.
