Did you know there are now **two** AED's on the WCPC campus? One near the restrooms outside the Sanctuary, and a new one in the HEB hallway near the kitchen. Using the AED is easy - just follow the prompts. You too can be a lifesaver!

Wednesday Study Group this Summer:

ProFuture Faith (WILL NOT MEET ON JULY 15 DUE TO VBS)

Living the Questions has published a new study titled ProFuture Faith. From their website: *Having “squandered our inheritance on profligate living,” we are a prodigal species. Industrial civilization and our insatiable appetites have us hurtling toward irreversible consequences – not in some distant future, but right now. The good news is it’s not too late. At the intersection of science, spirituality, and sustainability is a deep love of life and a passion for our posterity – a ProFuture Faith. Join eco-theologian, author, and TEDx speaker, Rev. Michael Dowd in a dynamic DVD and internet-based discussion course that bridges the gap between head and heart, science and faith. Participants will be guided on a journey that accepts what is inevitable, avoids what is futile, and be inspired to attend to what is urgent. Come home to reality. Embrace a ProFuture Faith!*

The Wednesday Study Group began this 8-session series on July 3. Each week will feature a video lecture and printed study materials. Leadership is shared. Please joins us, and bring a friend!
