

100% OF YOUR CHARITABLE GIVING
TO **PROJECT C.U.R.E.**

is tax-deductible!

The CARES Act Deduction Increase

On March 27th, 2020 the CARES Act (“the Act”) was signed into law. The goal was to help families and organizations during the COVID pandemic. **The CARES Act allows for an increase in charitable deductions – for 2020 only.**

Prior to the CARES Act, charitable donations were limited to only **60%** of a person’s adjusted gross income (AGI). To encourage increased giving during this difficult time, **the Federal Government has increased the deductibility limit to 100% of Adjusted Gross Income!**

What does this mean?

This means that you can give generously this year and take advantage of the higher limits on charitable donations, with a maximum reduction of your Federal income tax to **zero**, if you so choose.

As always, please consult with your CPA or tax advisor before making any major decisions regarding your charitable giving. For more information on the Cares Act visit [HERE](#).

Why Give to Project C.U.R.E.?

Since 1987, Project C.U.R.E has been delivering life-saving medical equipment and supplies to hospitals and clinics throughout the under-resourced world. We are the world's largest distributor of donated medical relief—touching the lives of children and families in more than 130 countries.

As the world watches the pain and suffering of those whose lives have been ravaged by conflict and humanitarian disasters, Project C.U.R.E.'s partnerships are bringing support to meet their urgent, basic medical needs and help reconstruct healthcare systems around the world.

Project C.U.R.E. is committed to strengthening healthcare systems and bridging the gaps in healthcare.

In March 2020, Project C.U.R.E. pivoted its focus to support the tremendous need domestically for PPE and equipment to fight COVID 19 and has provided over **\$3 million** in aid to date. We invite you to review our work and consider how much you could help move our mission forward with a charitable gift.

Thank you for being a supporter of Project C.U.R.E.
