Dear Friends,

From our children and families engaged in the daily services and programs at Presbyterian Children's Homes and Services, thank you from the bottom of their hearts for your generosity through the years. They may have never met you or know who the kind spirit is who comes to their aid, but you can be sure they are healing because you, who are providing for them in their time of greatest need. Together we offer child and family counseling, single parents with children transitional housing, foster care and maternity services in Houston.

"Forever Homes Start Here" is the theme for our 2022 PCHAS luncheon which will be Thursday, April 21, 2022 at the Junior League of Houston, 1811 Briar Oaks Lane, Houston, TX 77027 from 12 to 1 p.m. We are excited to finally gather again in-person after two years, and I hope that you will join us as we will hear from our PCHAS families as they share their amazing stories.

We especially wish to invite the members of your congregation and Mission Committees to gather with us for this special event. We would love for you to consider a leadership gift.

At this event we celebrate the over 4500 children throughout our ministry who are working to recover from the trauma inflicted on them in their lives. These young ones are building courage, confidence, calm and the ability to become independent, educated and loving people themselves. You will also hear about the latest developments on how we work with children and families today with amazing results, as grateful clients tell you how they have changed the course of their lives in our care.

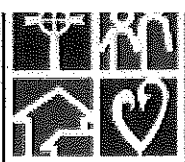

Please let me know if your church will be represented at the luncheon. We have tables that seat 10 guests each and we would love for your church to fill one – or more – that day! If you have any questions, please do not hesitate to contact me via phone at 713-893-3735 or via email at laura.fleming@pchas.org.

So please consider and complete the insert with your contribution, but more importantly
Come and Join Us at the luncheon to *really* be there for the children.

Gratefully,

Laura Fleming

Sonya,

We would like to invite you to join us for this year's **PCHAS Houston Luncheon!**

Hear President David Thompson share about the science behind positive experiences. During our time together, you'll also hear stories from PCHAS clients like Melinda and Erin. This is a time for us to celebrate the dedication and hard work of PCHAS children and families as they are working towards hope and healing. I hope you can join us in celebrating children and hearing stories of their families' triumphs. We can't wait to see you in person!

Please join us for this year's annual luncheon!
