CAC's Communication Corner

May 2022 | Issue 5 **Quarterly Newsletter**

Dear {First Name},

Like many others in our community, Community Assistance Center holds a special place in my heart, and I am humbled to have rejoined the team at

CAC. Our organization continues to grow in leaps and bounds because of the efforts of our staff, board, and supporters like you. Our neighbors seek out services here at CAC because they know we are a reliable and compassionate resource where we can provide assistance to help get families back on track toward regaining self-sufficiency.

Right now, our team is working hard to ensure our neighbors have access to the resources they need during the summer months. CAC is once again providing the Summer Stock kids food pantry program for youth who are not receiving free/reduced lunches over the summer. CAC is distributing fans to neighbors to get through another Texas summer thanks to our partners at the Assistance League and Entergy Texas. And we are still providing services and referrals for

services such as rental/mortgage assistance, utility assistance, clothing vouchers, prescription medication support, food, and disaster recovery services.

CAC is also expanding our partnerships in the community to better serve residents of Montgomery County. I am pleased to recognize our friends at Mims Baptist Church with whom we have established a benevolence partnership as well as volunteer recruitment opportunities. Through this partnership, more neighbors seeking help to regain financial stability will be served and we are delighted to work alongside one another.

I look forward to the vast opportunities we will have together as we will continue to live our vision of strengthening Montgomery County one neighbor at a time. Thank you for your continued support of CAC to help our neighbors in need.

Serving Together,

Jennifer Huffine
President & CEO
