**Our breakfast, run, and parties allow us to
care for these vulnerable kids.
They are what it is all about!**

Camps changes lives!

Our Camp Leaders are busy planning and recruiting for
Summer Camps that begin in June!!

Research shows that Play disarms Fear.

Our camps serve a crucial role in bringing hope and healing to kids in
foster care.

When children are surrounded by an entire team of trained volunteers with
one mission of communicating to the kids you are loved ~ magical things
happen!

Thank you for supporting Love Fosters Hope
and all the vulnerable children and teens we serve.
