

**JULY**  
DONATION DRIVE

## **FLIP FLOP DONATION DRIVE**

**July 1 @ 8:00 am - July 31 @ 5:00 pm**

This month we are collecting flip flops (and other shoes) for our emergency shelter and sexual assault programs.

Shoe drives are a great, easy way to help us provide those in need with new shoes in order to propel them into a better life. Cleaning out your closets and donating gently-used or new shoes is an easy, convenient way to help those in need.

The benefits of hosting/ participating in our shoe drive extend far beyond your doorstep, because you'll also help the environment! By hosting a shoe drive, you help create a sustainable program to recycle athletic shoes which will go to those in our emergency shelter, transitional housing and counseling programs. Additionally they go to our resale store so people can access quality footwear at affordable prices. Funds raised at our resale store, [Something Special](#), help keep our shelter doors open.

Donations can be dropped (or mailed) to: Montgomery County Women's Center: 1401 Airport Rd, Conroe, TX 77301 (Attn: Siomara)

Something Special: 19073 I-45 South, Shenandoah (in the Portofino Plaza next to Sam's Club)

***The 24 Hour Crisis Hotline is (936) 441-7273***
