Habitat Happenings, January 2024

Dear Habitat Friends and Neighbors,

As we say farewell to the holiday season, we hope your days were filled with the warmth of friends and family and the joy of cherished moments. With hearts full of gratitude, we step into 2024, arms wide open, ready for the journey that awaits us.

This year marks a monumental milestone for us – our 35th anniversary! We can't help but reflect on the incredible path we've taken together, hand in hand with our dedicated volunteers and generous sponsors. Your steadfast support has been the foundation of our success, allowing us to bring safe, decent, and affordable homes to hundreds of deserving families in Montgomery County. From the depths of our hearts, thank you for making dreams come true.

In the spirit of new beginnings, we're thrilled to share that this month marks the start of construction for four new homes. Urgently, we extend an invitation for you to join us in these transformative moments – be part of the wall raise ceremonies and build days that define the essence of Habitat's mission. If you've ever considered a [home sponsorship](#), now is the perfect time to get involved.

Looking ahead, 2024 holds promises of completion and celebration. We are set to finalize projects initiated in Cedar Creek last spring, continue work on six homes started last fall, and enjoy the uplifting energy of January's multiple wall raise ceremonies. Mark your calendars, for our annual **Building Hope Gala** on April 6th – a night to revel in our collective achievements and cast our eyes toward the future.

Together, let's continue building homes, forging connections, and nurturing hope. Here's to another year of making a difference and spreading the warmth of love and shelter.

In Gratitude and Partnership,

Sponsor Spotlight - Chevron Phillips Chemicals

Habitat MCTX relies on our generous donors and sponsors to continue our mission to build homes, communities, and hope! This month we want to shine our spotlight on Chevron Phillips Chemicals (CP Chem). In October 2023 CP Chem raised the walls on their 12th Habitat MCTX home! And they don't just provide funding for a house, their staff come out on the weekends to build alongside our deserving homeowners. Through this past fall CP Chem volunteers worked alongside Buddy, Deborah, and their daughter Courtney every week, building a home, a future, and a lasting friendship. Thank you CP Chem for all you do for Habitat MCTX and our community.

Volunteer With Us at Cedar Creek or at the ReStore
