Dear Habitat Friends and Neighbors,

As we celebrate the essence of Home throughout April, we're reminded that "Home" is more than just a structure—it's a sanctuary where families grow, thrive, and create memories. Habitat for Humanity of

Montgomery County, Texas (Habitat MCTX) mission ensures everyone has access to safe and affordable housing, making **Home is the Key** a promise of stability and hope.

April is significant for Habitat MCTX, and we have a lot of important things taking place this month. Join us this **Saturday, April 6, 2024, as we gather for the annual Habitat MCTX Building Hope Gala**, made possible by our valued Presenting Sponsor, LGI Homes. This event promises inspiration, community, and support for our housing programs and initiatives. It's also **National Volunteer Month**, a time when we extend our heartfelt gratitude to those who dedicate their time and energy to further our mission. We couldn't do it without you.

As we enter the second quarter, our focus remains on building stability through sustainable practices. We're thrilled to emphasize our commitment to energy efficiency and community engagement. **These practices not only contribute to a greener future but also ensure the longevity of our mission. Join us in celebrating our collective efforts for lasting change! April 22, 2024, marks Earth Day**, a reminder of our responsibility to protect and preserve our planet. Habitat MCTX integrates sustainability in our building projects and through our **ReStore**, ensuring a greener future for generations to come.

We extend our heartfelt thanks to **LGI Homes, sponsors, and underwriters of the Building Hope Gala** for empowering our mission of building stability through sustainable housing solutions. Together, we're making a tangible difference. Thank you for your continued support as we strive for a future where everyone has a place to call home.

In Gratitude and Partnership,

-Habitat MCTX
