Love Mercy, Do Justice, Order Coffee

I ordered ten or twelve bags of your whole bean coffee several months ago and just ran out a couple of weeks ago, which forced me to use whole beans I got from a good brand around here. The sudden shift made the taste comparison obvious, and the coffee I made with your beans was so much better! I ordered from you to support Café Justo, but now I'm also ordering because I want to best coffee I can get! "Good" in every sense! —from a happy customer in Austin, Texas

FRONTERA DE CRISTO AND CAFÉ JUSTO CREATED the "Love Mercy, Do Justice" (*Amar Misericordia, Hacer Justicia*) initiative to provide coffee for migrant shelters across the southern border. Thousands of women and men each week are greeted with a cup of coffee, a meal, and vital medical attention when they are repatriated into Mexico. You can help support this effort with a donation to [Love Mercy, Do Justice](#).

In the mean time, why not [order some coffee for yourself today](#)? You will enjoy delicious 100% organic coffee cultivated, roasted, and shipped by the Café Justo cooperative. To order by mail instead of online, just download [this form](#).
